Conservation, Forestry and Outdoor Recreation Committee

Dear Committee members;

Thank you for the opportunity to testify on behalf of House Bill 4186.

The Great Lakes Shooting Sports Association (GLSSA) supports this legislation that would make the new expiration date of a renewed Concealed Pistol License (CPL) 5 years from the previous expiration date. House Bill 4186 also clarifies that this applies to renewal applications within one year prior of the CPL holders' expiration date.

GLSSA thanks the sponsor of the bill, Representative Rocca, for introducing this legislation and the opportunity to help with the text of this bill.

**Rod Collins**  
President – Great Lakes Shooting Sports Association
